

PURCHASE AGREEMENT

Agreement Date: PI

This Agreement is entered between **Developer/Seller:** and **Client/Buyer:**

1. SCOPE OF DELIVERY

The Seller delivers the AL-TAHS business management system, including configured modules, deployment setup, and onboarding handover, as demonstrated and agreed by both parties.

2. COMMERCIAL TERMS

Total System Cost	RWF 2,000,000 (Two Million Rwandan Francs only).
Payment Method	Full one-time payment only.
Installments	Not accepted.
Payment Due Date	
Hosting & Infrastructure Fees	Client responsibility. All recurring and one-time infrastructure costs are covered by the Client, including hosting/VPS, domain, SSL, internet/VPN, backup storage, and any third-party service fees.

3. SUPPORT COMMITMENT (12 MONTHS)

The Seller will provide operational support for one (1) year from the signing date, including:

- Bug investigation and correction for delivered features.
- User guidance and issue troubleshooting when requested by the Client.
- Reasonable minor adjustments aligned with existing workflows.
- Remote or onsite support scheduling by mutual agreement.

4. GENERAL CONDITIONS

- Major new features outside current scope require a separate written agreement.
- The Client shall provide required access, responsible users, and infrastructure cooperation.
- The Client pays all hosting and operational infrastructure charges from go-live onward.
- This Agreement becomes effective upon signature by both parties.
